

## **January 2026 Meeting Minutes**

**Attendance: Brina, Stephanie, Anna, Jessica, Monique, Erin, Jonathon**

### **A. Call to Order - 6:10pm**

### **B. Reports**

#### **A. Principal Report:**

We now have alphabet games available to staff to sign out and use with students. Text messages are being sent out to staff around 7:30am on school mornings to cover sick calls and make a plan for the day. We have a full set of walkie talkies for staff to use to communicate throughout the day. Since there isn't a lot of supervision inside during play time at lunch and recess, there will now be bathroom passes that students can use. This will hopefully limit the amount of students inside during outside time. We have a new system for how students will get lunch if they do not have lunch. Teachers will take orders in the morning and have a runner submit how many lunches are needed and then later in the morning another runner will go to the office and collect the lunches that were ordered. This is to try and reduce food waste and make sure students who need a lunch get a lunch. We have also been talking about what behaviors are expected in the classroom, the hallway and on the playgrounds.
